## 2021 Scout Week Inter-Faith Service

*Celebrating  
a Scout's Duty to God.*

Connecticut Yankee Council  
Boy Scouts of America

The Quinnipiac District will be celebrating Scout Sunday and Scout Sabbath this year with a virtual Interfaith Service.

We are looking for Units or individual Scouts who would like to be a part of the service by pre-recording a reading or creating a slide presentation to be used as a visual to a reading. These will be spliced together to create a program the entire District can view on the Quinnipiac District's YouTube Channel from 2:00 pm on Scout Sunday, February 7<sup>th</sup> until 7:00 pm on Scout Sabbath, February 12<sup>th</sup>. Join the rest of the district with the opening or closing viewing, watch as a unit during a meeting, or view it on your own.

This is a great opportunity for Cub Scouts working on their Duty to God adventures or Scouts BSA working on the Communication Merit Badge and for Troop Chaplain Aides. Use readings that we provide or submit one of your own which we can review and possibly incorporate.

There will be a brief meeting after District Roundtable on January 13<sup>th</sup> for anyone who is looking for more info or to get involved. Zoom log-on information for the Roundtable is being emailed to all registered leaders in the district.
